DINNINGTON TOWN - CLUB HISTORY

Dinnington Main 1908-1914. Entered in the Hatchard Cup League. This started as a cup competition but as it developed over the years moved towards what we know now as a league formation.

Dinnington Colliery 1914-1919. Entered in the wartime Wharmcliffe Charity League. This league, due to shortage of teams, allowed entries from Minor leagues up to the standard of The Football League.

Dinnington Main Colliery 1919-1928. Rejoined the Hatchard League. In 1921 made their first entry into the FA cup against Silverwood Colliery losing after extra time 3-4. 1921-1928 promoted to the Sheffield Association League.

Dinnington Athletic 1928-1937 - war - 1946-1976. Entered in the Sheffield Association League. In 1932 won the prestigious Sheffield and Hallamshire Senior Cup hence qualifying for the FA cup, beating Bentley Colliery and Silverwood Colliery by the same 3-1 margin but lost to Rawmarsh Welfare in the next round. Having waited many years, 1934 saw the club get to the 1st round proper away against Chester but lost 3-1. 1936-1937 saw the club rewarded with entry into the Yorkshire League. The high point winning the Second Division title in 1969-1970.

Dinnington Colliery 1976-1985. Joined the Midland League. This was the start of the decline of the Football Club. In 1985 along with the Colliery itself, the club folded.

Dinnington Town 2000-Present Day. At the Start of the Millennium, regeneration of Dinnington had come at last. On the site of the old Colliery and area around, new factories, supermarkets, small businesses are appearing and new public buildings like the Dinnington Resource Centre on Laughton Road are being built. Hence the emergence of the new Dinnington Town Football Club being formed in 2000/2001.

The first two seasons the club played at a ground near Meadowhall, Sheffield in the Central Midlands League Premier Division as the Dinnington Ground did not meet the League's criteria. Amazingly, the Club gained promotion to the Supreme Division as the facilities at the Resource Centre became available. The first stage of work to the changing rooms, player's dugouts and covered standing is completed, erecting floodlights is our next aim.

On that note we think the future looks bright at Dinnington.
